

Keep our programs alive. Become a member of the Hilo Community Players!

For 4 years we've been presenting our Children's Theatre Workshops. For over a quarter of a century HCP has done Shakespeare in the Park. Let's keep strong community traditions alive -- we've been around since 1938. We can't do it without your support. The Hilo Community Players are a non-profit organization; your donation is tax-deductible to the extent permitted by law. Won't you take time to be a part of timeless theatre?
